

## 2015 Virginia Regional Helicopter Safety Summit (Richmond)

Attention all Helicopter Pilots! Don't miss this landmark event featuring the very latest information on the safety issues facing the rotorcraft industry presented by some of the top industry experts in their field! A panel of experts from Helicopter Association International (HAI), Virginia Helicopter Association, FAA Safety Team, and others will discuss issues affecting Helicopter pilots, accident trends, Autorotations for Helicopters, and many more relevant topics. What you learn can make your flying easier and maybe save your life! Click on the link below to register and see all of the details!

**Directions:** State Hangar. If you fly-in please call ahead (804)236-3624 or email [betty.wilson@doav.virginia.gov](mailto:betty.wilson@doav.virginia.gov)

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
